Career Accomplishments

- Headed preparation, delivery, and evaluation of lessons for students (at ELC) from different age groups and abilities, ensuring fulfilment of diversified learning needs.
- Improved classroom environment at Al Noor Tuition by implementing visual aids and other materials, and motivating students to participate in co-curricular activities.
- Reviewed and revamped operating structure of training and development programmes, including producing training materials for On Site Security Ltd.'s in-house courses.

Professional Experience

ESL Teacher | Edaspire Language Centre (ELC), London

1/2020 – Present

Improve students' speaking, listening, reading, and writing abilities by providing one-on-one and group tutorials. Identify areas of improvement through evaluation students' tests and performance, developing individualised learning plans. Facilitate planning, and coordinate exams as well as classroom evaluations. Ensure optimum utilisation of available resources, while fostering fun-learning environment.

- Increased students' engagement by creating creative content focused on learning and development.
- Reviewed and provided feedback on assignments from the British National Curriculum.

ESL Teacher | Al Noor Tuition, London

9/2018 – 12/2019

Managed classroom activities and evaluated students' performance for better skill-development planning. Delivered coaching based on diverse teaching methods, including lectures, individual/group sessions, demonstrations, and presentations.

- Assessed students' learning needs, and formulated individualised lesson plans, while engaging with family members to educate and promote healthy learning techniques.
- Developed creative learning activities based on students' performance, which resulted in boosting students' confidence and skill set.

Instructor – Learning & Development | On Site Security Ltd., Bristol

3/2015 – 7/2016

Taught Intermediate-level English to students enrolled in specialist security training programme. Contributed towards learning and development (L&D) of new staff and graduate trainees by developing induction programmes and tracking progress.

- Delivered extensive training using classroom/online and blended learning methods, which strengthened students' English language skills.

English Teacher | Communities International Limited, Cardiff

8/2016 – 8/2018

Taught Middle-Eastern students from different age groups, focusing on English language skill building. Led pre-arrangement and production of lessons for students with different age groups and abilities. Ensured timely preparation and arrangement of examinations and classroom assessments with revision materials / remedial resources. Shared constructive feedback on oral/written work as per National Curriculum.

- Played a vital role in improving local/international students' high success passing rate via strategic planning and one-on-one coaching.
- Promoted learning by implementing theory of intelligence and strategic teaching methods.
